

Outdoor Blockout LTX is a heavy duty blockout banner material for both indoor and outdoor applications. Its unique construction provides strength and stability under harsh weather conditions. Outdoor Blockout LTX is designed for two-sided applications and is one of the few blockouts in the market that can be printed double sided on Latex devices. Both sides of the material have a matte finish and are compatible with eco-solvent, latex, solvent and UV inks. This product is available in widths ranging from 38" to 196".
