28 August 2006

Mr. B. Kronman,

This letter is to inform you that Baldwin Graphic Systems has completed the compatibility tests as it pertains to the Autowash # 4002F Solvent. This solvent has been tested and approved for use on U.S. manufactured Baldwin ABC systems.

If you have any questions or require further assistance please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Walter H. Cano", written over a horizontal line.

Walter H. Cano
