7 Jul. 2006

Mr. B. Kronman,

This letter is to inform you that Baldwin Graphic Systems has completed the compatibility tests as it pertains to the Autowash 9000 Solvent. This solvent has been tested and approved for compatibility purposes only for use in Baldwin ABC systems (U.S.).

If you have any questions or require further assistance please feel free to contact me.

Sincerely,

Walter H. Cano  
Consumables Technical Manager – U.S.  
Baldwin Graphic Systems
