## PRODUCT INFO

## PRISCO® ALKALESS 8000

**Product Description:** PRISCO ALKALESS 8000 effectively eliminates alcohol on presses with continuous dampening systems. ALKALESS 8000 works with all fountain solutions and contains blanket-piling inhibitors.

### Advantages:

- Compared with most alcohol substitutes, **ALKALESS 8000** has a lower V.O.C. content combined with a superior health rating.
- Eliminates need for alcohol on presses equipped with continuous type dampening systems.
- Eliminates metering roller "streaks."
- Permits use of lower water speeds on press.
- Promotes faster ink film drying.
- Plate safe on most unbaked positive plates.
- Non-flammable

**Directions:** Add 1.0% to 3.0% of **ALKALESS 8000** as needed to replace alcohol and achieve the desired amount of wetting. **ALKALESS 8000** does not affect conductivity readings.

### READ MSDS BEFORE USING THIS PRODUCT

**Product Code:** HE59

**Packaging:** 25 Liter cube  
200 Liter drum
