Sand offers a quiet balance of refined character to create an effortless surface.

Felt illustrates an entangled surface of natural fibers resembling a non-woven substrate.

Lay features a rhythmic vertical surface mirroring a polished stria.

Leather emboss reveals organic qualities of natural hyde.

Tessera displays a substantial linear appearance that creates deep elevations.

Tabby renders a casual, fine linen emboss creating a tactile hand.

Polster presents a uniformed quality of unstated stucco.

Matte transforms shine into an opaque, non-woven finish.

Metallic Sand demonstrates the soft texture of sand with the luster and shine of metallic.

Langor demonstrates a subtle texture for wide width obtaining seamless murals.
