

PRISCO® Royal Flush

Product Description:

PRISCO ROYAL FLUSH is a heavy-duty cleaner for dampening and recirculating systems. When used as directed, PRISCO ROYAL FLUSH cleans and disinfects dampening systems on all types of printing presses.

Advantages:

- Removes calcium build-up and scale
- Eliminates paper and ink contamination from lines, hoses and pans
- Improves alcohol-free performance
- Helps control foaming
- Kills fungus and bacteria

Directions:

Drain the entire press dampening system. Remove filters. Fill with fresh water and add 5 ounces of PRISCO ROYAL FLUSH per gallon of water (37.6 ml/Liter). Turn on the recirculator pumps and recirculate for one hour. Drain and refill with plain water. Recirculate for ten minutes and drain. Repeat last three steps until rinse water is clear and all foam is gone.

Product Code:
C630
